RE: 22-CV-04625

Lewald v Pa. Department of Corrections

Docket sheet for this case shows "Date Terminated: 02/23/2023" in the upper right-hand corner. Could you please confirm this case is in "suspense" as ordered by Honorable Judge Kenney and not actually "terminated" or "closed" and requiring refileing of complaint? Also, could you please confirm Marshal Service will continue to serve summons and complaint to all defendants during this 90-day suspense?

Thank you,

Troy Vincent Lewald
